Thank in advance for helping plan the 7th annual ACES Northern Chevelle Regional Show in beautiful Westlake Ohio. I was very honored at the award ceremony last year when the club officers presented me with a varsity jacket with my 72 Chevelle embroidered on the back. It sure kept me warm through the cold Ohio winter. I want you to know that I did not expect much more than a pat on the back. I am sure each and every one of you has had the pleasure of doing something nice for someone else. We often take offence when an act of kindness goes unnoticed. Should we really get mad? What if someone thanked you and you didn't even realize it? Your Chevelle may help someone pinpoint a finer point of restoration, how to assemble something, or bring back a special memory. You might not receive special recognition during an awards ceremony but I am sure your unique Chevelle has brought delight to someone else. That person may not say a word but you can go home knowing that your participation has brought joy to someone. All of you have worked really hard to prepare for this grand event. Some of you have helped your fellow Chevelle enthusiast to get ready for the drive to the show. I am sure some of you might have even stopped along the road to help fix a Chevelle. Take pride in your accomplishments. The Northern Ohio Chevelle Club takes pride in being a club that pulls together to help each other out. I hope all of you can extend our core philosophy to your day to day lives. Here are five simple rules for happiness in the Northern Ohio Chevelle Club. They might sound familiar but here they are:

- 1) Free your heart from hatred.
- 2) Free your mind from worries.
- 3) Live simply.
- 4) Give more.
- 5) Expect less.

P.S. Please remind me I wrote this if I get a little grumpy at our Regional Show.

When Ann and Larry Robison decide to have a picnic, they do it right. It was a beautiful summer day in Avon Ohio and everyone in attendance enjoyed themselves. Many members
