Please join us for the 7th Annual ACES Northern Regional Chevelle Show. This is the NOCC's 3rd year as hosts of this show. We take pride in making this show a 'laid back' event with emphasis on family. You will see some of the nicest chevelles from across the country as well as some awesome 'local' cars. This is a 'participant judged' show and we offer several classes. You will not find another show that offers as much fun, friendliness, quality prizes, awards, music, and vendors. Each year, we donate a great deal of toys and money to the Marines Toys For Tots Foundation which we raise through our shows. Come join us for a great time!!!

Be a part of something SPECIAL!!!
